Dear Mr. McDaniel:

I wanted to take this opportunity to thank you for participating in the S. C. Department of Agriculture's Benefits Fair and for sponsoring the Lunch and Learn Workshop! I feel that the event went extremely well and for a first time event, the turnout was good.

I have heard feedback from our department as well as other state agencies that attended and they felt that this event enabled them to get valuable information from you.

The workshop was a major factor in the success of the Benefits Fair! I have had a number of employees who have told me how much they enjoyed the workshop and that it made them to really start thinking about their retirement options.

Your staff was wonderful to work with, which made coordinating the event an easy process!

I hope to make this an annual event to run concurrently with the Open Enrollment periods! I would also like to plan some other events with McDaniel Corporation in the near future.

Thank you again for making this event happen and making it such a success!

Best Regards!
